

List of project roles

Asst. Prof. PhD Vladimir Kitanovski

Faculty of Technological Sciences at Mother Teresa University in Skopje, North Macedonia

Scientific Institute for Leadership and Action SILA – CEO

1. Tourism for Future 2023-2025 IPA – CBC Montenegro – Kosovo 2014 – 2020. Active participation in the preparation activities for the re-granting scheme inside the project design for realizing the call for Ecolabeling of the touristic capacities in municipalities Peja (Kosovo) and Kolashin (Montenegro). Realization of two (5 days) training sessions in Kolashin with focus on Sustainable management system and Eco labeling certification. Under the training session for Eco labeling certification, I successfully trained 14 participants that applied on the call for Grant for Eco – Label Certification. I was engaged as an external expert from the position of SILA's CEO. (Attached contracts for my engagement. Full engagement as an external expert for 5 days was 800 eur in total)
2. Development of 5 Guidebooks for capacity building in the elementary and high education sector in North Macedonia 05.2023 – 01.2024. Domestic customer, Accredited Academy for Lifelong Learning CES Academy Skopje North Macedonia. As SILA's CEO, I developed call guidelines, evaluation, and contracts for engagement of external experts, who will develop 5 Guidebooks for capacity building in the elementary and high education sector in North Macedonia. (Attached contracts as proof. Full engagement was 15.000 euro in total.)
3. Let's stop Hate Speech 2023 – 2025 Erasmus+. As a university professor I developed a project application consortium consisting of international partners and university as full partner in the project idea. The approved project is coordinated by me as an Institutional coordinator. (Attached contract as proof. Full engagement of the university is calculated at 25.000 euro)
4. Prevention of youth risky viral virtual trends 2022 – 2025 Erasmus +. As a university professor I developed a project application consortium consisting of international partners and university as full partner in the project idea. The approved project is coordinated by me as an Institutional coordinator. (Attached contract as proof. Full engagement of the university is calculated at 40.000 euro)
5. Bioinforming the youth 01.2023 – 06.2023 Western Balkans Fund. As a university professor I developed a project application consortium consisting of international partners and university as full partner in the project idea. The approved project is coordinated by me as an Institutional coordinator. (Attached contract as proof. Full engagement of the university is calculated at 4.000 euro)

6. Women in STEM – overcoming stereotypes 2021 – 2024 Erasmus +. As a university professor I developed a project application consortium consisting of international partners and university as full partner in the project idea. The approved project is coordinated by me as an Institutional coordinator. (Attached contract as proof. Full engagement of the university is calculated at 13.000 euro)
7. EU4TECH PoC (Western Balkans Proof of Concept Scheme). Project manager of the Smart TTI PoC project (2021) realized at Mother Teresa University, laboratory of Bioengineering. Prof. Kitanovski was leading this project from the beginning, and he was developing the concept for procurement tenders during the project implementation and the process for registering for Intellectual property of the innovative product. (In this project we received Technical Assistance from the donor EU4TECH PoC for Western Balkans but unfortunately the project ends and the hosting of their web page is not available, as a proof attached will be the IP strategy developed by the Mentor).
8. Active participation in the development of outcomes in the EU supported project STRAWPOWER realized by Macedonian Scientific Society in Bitola, North Macedonia, 2017.
9. Participant in the IPA – CBC project between Greece and North Macedonia “Agrotourism and sustainable rural development of the countryside”. (Attached Certificate as proof)
10. National Committee Member in COST action Network on water-energy-food nexus for a low-carbon economy in Europe and beyond – NEXUSNET 2022 – 2025. (Attached Prt Sc of list as proof)
11. Selected as Project evaluator for the National Innovation Fund in North Macedonia for 2024. Unfortunately I am waiting for the contract to be signed from the Fund’s Director site, and as proof I can send Prt Sc from the email for of confirmation for my selection as evaluator.
